CALA LLONGA

Tucked away in our own little corner of the island, we're just 13 kilometres from Ibiza's Old Town and 19 kilometres from Ibiza Airport. You can take the ferry from our dock to the Old Town, connecting you to the island's main city. There is also a fast ferry to Formentera, making it ideal for exploring the island.

Cala Llonga village, which comes to life during the summer season, offers a wide range of bars, restaurants, and shops. The public beach offers sun loungers (available for a charge and not managed by the hotel) and a children's playground. It is one of the largest beaches on the island, with public parking nearby in case you are thinking of renting a car to explore.

The nearby town of Santa Eularia is an easy bus ride away, offering the chance to do local shopping and enjoy the Ibizan way of life.
